Part 4: Reading

Directions : Read the passage and then answer the following questions.

Wipa likes to collect stamps during her free time and keep them in a big stamp album. She gets most of her stamps from the mail that arrives daily at her home. Some of them are from Thailand while others are from all over the world, especially Germany, where most of her relatives live. Once in a while, her parents give her stamps which they bring home from their office.

Wipa likes stamps with pictures of flowers, plants and animals. She learns about the names of the plants and animals and she wants to learn more about them, she researches on them in the library. Every holiday, her parents will take her to the Philatelic Museum to see the latest stamp exhibits.

Wipa also has many stamps of the same kind. She keeps them in an envelope. When she meets her friends who are interested, she gives these to them. Wipa also sends Thai stamps to her pen pals abroad. In return, they send her stamps from their countries. In this way, she is able to build up her collection of stamps.

Wipa is so proud of her collection that she looks at them whenever she is free.
